50-minute treatments

Facials

- **Signature.** An innovative and power-packed treatment to protect skin DNA with Alpine Rose stem cells and OsmoTec (a molecular catalyst that delivers active ingredients to the heart of the cell for ultimate age prevention).
- **Hydracial™.** Designed to remove dead skin cells and extract impurities, while bathing the new skin with cleansing, hydrating and moisturizing serums. Improves the appearance of fine lines, wrinkles, acne, hyper-pigmentation, congested pores and uneven skin tone.
- **Gentleman's Executive.** Customized to the needs of male skin and its daily rituals, this treatment provides long-lasting results and gives vitality and enhanced energy while soothing irritation from shaving and moisturizing.

Massages

- **Signature.** Customized to your preferences with varying techniques and pressures ranging from light to deep tissue.
- **Sports.** To enhance performance or minimize recovery time, this massage is catered to specific physical and athletic goals.
- **Focused & Foot Reflexology.** Combination massage first focuses on specific muscle groups before applying pressure to foot reflex points. Stimulates and opens energy pathways, releases tension and promotes rejuvenation.

Yamaguchi Salon Services

- **Spa Manicure & Pedicure.** Soothing and detoxifying soak before micro-algae scrub-masque exfoliates and Shea butter moisturizes. Lacquer application of your choice. *1.5 hours*
- **Makeup Application & Lesson.** Balance and harmonize your makeup and personal style by applying the ancient principles of Feng Shui.
